

OhioHealth Mindfulness Program Mindfulness-Based Stress Reduction Course

The OhioHealth Mindfulness-Based Stress Reduction Course is an evidence-based 8-week course where you'll learn *mindfulness*, a way of paying attention to the present moment intentionally and without judgement, and ways you can develop a mindfulness practice to support your well-being.

August-October 2025 8-Week Course

OhioHealth is accredited by the Ohio State Medical Association to provide continuing medical education (CME) for physicians. OhioHealth designates this series of live activities for a maximum of 28.5 AMA PRA Category 1 credit(s). Physicians should only claim credit commensurate with the extent of their participation in activity. Nursing: The Ohio Board of Nursing recognizes events approved by a nationally recognized accreditation system of continuing education approval. Learning Objectives: Identify stress as it arises and intervene/manage it. Develop the capacity for "presence" using empathetic/compassionate listening skills. Demonstrate thoughtful and responsive behaviors when communicating with others.
