DESCRIPTION

Providing all participants with the latest trauma education and practical knowledge in order to deliver quality care to the patients we serve.

This two-day conference for physicians, nurses, EMS and ancillary staff who care for the traumatically injured patient covers current evidence-based practice in the care of specific trauma mechanisms of injury (MOI) and innovative technology that are most commonly seen at OhioHealth's three American College of Surgeons accredited trauma centers. These MOIs include falls, motor vehicle crashes and assaults for both Grant Medical Center and Riverside Methodist Hospital, and falls, motor vehicle crashes and motorcycle crashes for Mansfield Hospital.

OBJECTIVES

After completion of this activity, participants will be able to:

1. Explain strategies that trauma centers can utilize to reduce recidivism in their communities.
2. Describe the assessment of the airway post-cricothyrotomy in the field.
3. Identify innovations in trauma care utilized at OhioHealth's trauma centers.

DISCLOSURE

As an accredited CME provider, OhioHealth must ensure balance, independence, objectivity and scientific rigor in all sponsored activities. Faculty and planners participating in sponsored activities must disclose all financial relationships with any ineligible company or commercial interest. All conflicts of interest are reviewed for relevancy and mitigated prior to the activity and disclosed to the learners before the activity begins.

COMMERCIAL SUPPORT

This activity is not supported by any ineligible company or commercial interest.

ACCREDITATION

AMA

OhioHealth is accredited by the Ohio State Medical Association (OSMA) to provide continuing medical education (CME) to physicians.

OhioHealth designates this live online activity for a maximum of **5.50 AMA PRA Category 1 Credit(s)[™]**. Physicians should only claim credit commensurate with the extent of their participation in this activity.

AOA

OhioHealth Doctors Hospital is accredited by the American Osteopathic Association to provide osteopathic continuing medical education for physicians.

OhioHealth Doctors Hospital designates this program for a maximum of 5.50 AOA Credit Category 1-B credits and will report CME and specialty credits commensurate with the extent of the physician's participation in this activity.

AT

OhioHealth (BOC AP #3883) is approved by the Board of Certification, Inc. to provide continuing education for Athletic Trainers. This program is eligible for a maximum of 5.50 Category A CEUs. ATs should claim only those hours actually spent in the educational program.

EMS

An application to OhioHealth Emergency Medical Services will be submitted for CE hours.

EMS CE APPROVAL

OhioHealth EMS is approved by the State of Ohio, Department of Public Safety, Division of EMS as a Continuing Education Provider (Approval Number 2084).

ONA

The Ohio Board of Nursing accepts a CE activity that has been approved by an agency that regulates a healthcare profession or discipline in Ohio or another jurisdiction. CME approved by the Ohio State Medical Association meets Ohio Board of Nursing CE requirements for nursing licensure.

CANCELLATION AND REFUND POLICY

OhioHealth reserves the right to cancel or delay this course due to unforeseen circumstances. In the event this activity is canceled, OhioHealth will refund your registration fee. We are not responsible for any travel, hotel or other costs incurred.

If a participant cancels, a refund of the registration fee, minus a 25% administrative charge, will be issued if written notice of cancellation is received no later than October 25. No refunds will be granted after October 25.

Amy Goldberg, MD, FACS, FCPP

Interim Dean
George S. Peters and Louise C. Peters Chair
and Professor of Surgery
Temple University, Katz School of Medicine
Surgeon-in-Chief
Temple University Health System

Amy J. Goldberg, MD, FACS, FCPP currently serves as Interim Dean of the Lewis Katz School of Medicine at Temple University and Surgeon-in-Chief of Temple University Health System. Prior to her being named Interim Dean, Dr. Goldberg was the Professor and Chair of the Department of Surgery at the Lewis Katz School of Medicine and Sr. Vice President of Perioperative Services at Temple University Hospital. She is a Director of the American Board of Surgery. Dr. Goldberg joined the surgical faculty of Temple University in 1993 and served in earlier roles as Chief of the Trauma/Surgical Critical Care Division and Medical Director of the Trauma Program and the Director of General Surgery Residency Program both for over a decade.

Dr. Goldberg's passion is patient care and surgical education. She is well recognized as a superb educator – winning several teaching awards including Temple University's highest teaching honor, The Great Teacher Award in 2018, the Lindback Award, and multiple Golden Apple Awards. Her contributions to academic medicine have earned numerous accolades throughout her career – the Philadelphia Business Journal Humanitarian of the Year Award, the KYW News Radio Woman's Achievement Award, the Philadelphia Business Journal Woman of Distinction Award, and the College of Physicians of Philadelphia Exemplar of Humanism Award. She is a nationally celebrated clinician scholar with a robust portfolio of highly-regarded publications and presentations.

Dr. Goldberg is widely recognized as a master trauma surgeon and an expert in violence prevention and improved outcomes for victims of trauma. Her specific insights and expertise on gun violence were highlighted in an article in the Huffington Post: *What Bullets Do to Bodies*. Under Dr. Goldberg's ardent leadership, the Cradle to Grave and Turning Point programs have received national praise for their positive impact on the lives of youth and patients in North Philadelphia.

Dr. Goldberg is a graduate of the University of Pennsylvania with a degree in Psychology. She received her medical degree from the Mount Sinai School of Medicine in 1987, completed her residency in General Surgery at Temple University Hospital, and served a fellowship in Traumatology and Critical Care at the R Adams Cowley Shock Trauma Center at the University of Maryland.
