

2022 ANNUAL DIABETES DAY

Renaissance Hotel & Conference Center Westerville | Nov 12, 2022

This event is made possible through a generous donation from the George W and Elizabeth W Kelly Foundation.

Conference Description

We welcome you to join us for **OhioHealth's inaugural Annual Diabetes Day Event**. Held during National Diabetes Month, the goal of the event is to raise awareness for diabetes and expand knowledge related to the management of diabetes and associated conditions. This conference is designated for physicians, advanced practice providers, pharmacists, and diabetic educators who assess, treat, and provide care to diabetic patients.

Objectives

After the completion of this activity, participants will be able to:

- + Review updated management guidelines of patients with Diabetes with emphasis on overcoming therapeutic inertia and individualizing care
- + Describe the indications and benefits of SGLT2 inhibitors and GLP1- RA in the management of Cardiovascular risk and Diabetic Kidney Disease
- + Review current diabetes technology available and how to successfully implement in the day-to-day management of patients with Diabetes
- + Explain the importance of identifying patients with prediabetes or high risk for Type 2 Diabetes and importance of early utilization of lifestyle modification, medical therapy, and weight loss management to prevent progression of disease

General Information
