

The International College of Angiology

61ST ANNUAL WORLD CONGRESS | OCTOBER 10–12

Join colleagues from around the world as we explore challenging and controversial topics as well as what's new in heart and vascular medicine.

2019 program highlights:

- + Internationally renowned presenters.
- + Diverse learning formats, including live cases, panel discussions, Q&A sessions and debates.
- + Special emphasis on evolving trends, therapies and minimally invasive procedures.
- + This activity has been approved for AMA PRA Category 1 Credit™.
