Build cardiovascular acumen and forge patient-centric partnerships at our first annual conference specifically-tailored to the needs of primary care and acute care providers.

Choose from two available tracks:
+ Ambulatory/Outpatient Medicine
+ Acute Care/Hospital Medicine
The goal of this educational event is to expand knowledge related to the management of various cardiovascular conditions to better support patients across the care continuum.

Attendees will be able to select from two separate tracks — Ambulatory or Acute Care — with focus areas covering the latest advancements, new recommendations, and the management of cardiovascular conditions such as:

- Hypertension
- Electrical disturbances
- Heart Failure
- Vascular Disease
- Lipid Disorders
- Coronary Artery Disease
- Anticoagulants & Antiplatelets
- Cardiovascular Devices
- Chest Pain/Cardiac Evaluations
- Cardiovascular Devices
- Anticoagulants & Antiplatelets
- Chest Pain/Cardiac Evaluations

Earn up to 6 CMES

This symposium is designed for physicians and advanced practice providers who assess or treat cardiovascular patients. Can’t stay the whole day? Earn your credit post-event by accessing recorded sessions. Register today by visiting OhioHealth.Cloud-CME.com/CVUpdate2020.

Join us following the conference for happy hour and networking from 4-5pm.

Email us at Cardiology@OhioHealth.com or write to be added on our mailing list to receive conference updates.
