# PHYSICIAN LEADERSHIP FOUNDATIONS

**Tuesday, January 14, 2020 Topic: Future of Healthcare, Physician's Role as Leader**

*Speakers: Dr. Bruce Vanderhoff, Senior Vice President and Chief Medical Officer*

*Dr. Doug Knutson, System Vice President, Quality*

Description: Learn about the physicians' role in the volume to value shift in the way care is provided. Explore the role of physician as leader, one who operates in the framework of a larger healthcare system, while sharing their ideas and concerns effectively.

**Tuesday, February 11, 2020 Topic: Transforming Your Team by Understanding Yourself**

*Speaker: Dr. John Casey, Associate Program Director, Emergency Medicine, Doctors Hospital & National Director of Scholars, USACS Midwest*

Description: Emotional intelligence isn't just a buzzword concept. Understanding -and caring- about how you interact with others is transformative. Start understanding this area of research and leave with tips that will make a difference in your team's performance.

**New!**

**Tuesday, March 10, 2020 Topic: Population Health**

*Speakers: Dr. Jim O'Brien, Vice President, Operations Population Health*

*Dr. Mary DiOrio, Senior Medical Director, Quality & Population Health*

Description: Learn about what OhioHealth is doing to improve the health of populations while improving the care experience and reducing per capita cost.

**Tuesday, April 14, 2020 Topic: Quality of Care, Strategic Quality Initiatives**

*Speaker: Dr. Doug Knutson, System Vice President, Quality*

Description: Leaders need to continuously measure and evaluate the quality of care offered to patients. Volume to value is based on the best care yielding the best results in quality, safety and cost. Discover how physician leaders are instrumental in leading quality of care initiatives and how physicians can engage more effectively in strategic quality initiatives.

**Tuesday, May 12, 2020 Topic: Design Thinking**

*Speaker: Nate Rogers, Vice President, Transformation Acceleration, OhioHealth*

*Dr. Gary Ansel, System Medical Chief, Vascular Services*

Description: The best solutions start and end with the user. Too often organizations push solutions onto users without adequately involving them in the problem-solving process. Design Thinking insists on inclusive, user-first, test-driven problem solving. This session summarizes the case for Design Thinking, teaches core principles, and engages participants in a hands-on design exercise.

**New!**

**Tuesday, September 8, 2020 Topic: Physician Well-Being**

*Speaker: Dr. Laurie Hommema, Medical Director, Provider and Associate Well-Being*

Description: Understand the personal, health system, and national factors that influence well-being. Develop an action plan to improve well-being not only for yourself but also for your team. In addition, your participation in this course will help to design and drive OhioHealth well-being Initiatives for Physicians.

**Tuesday, October 13, 2020 Topic: Understanding Healthcare Finance, Part 2**

*Speaker: Mike Browning, Senior Vice President and Chief Financial Officer*

*Dr. Mrunal Shah, Regional Vice President Medical Affairs*

*Dr. Brian Jennings, Medical Director, Rehabilitation Services*

Description: This course will go into a deeper dive into the fundamentals of healthcare finance for leaders. Topics include accounting, skills to improve business acumen and financial strategies used by healthcare organizations.
